

George School Parking Guidelines

Each vehicle that is registered with the Campus Safety Department should display a color-coded decal identifying their assigned parking area.

Decals are distributed from the Physical Plant Office (Ext. 6610)

All parking decals should be affixed to the upper inside corner of the front windshield on the passenger's side.

Parking decals are not transferrable; each decal is vehicle specific.

The following departments will receive a **GREEN** decal for their vehicle(s). If you receive a green decal you are assigned to park in the **Marshall Center Lot or the Lower Lot near Grounds.** If both lots are full, you will be expected to park in the **Fitness and Athletics Center Lot,** designated for overflow vehicles.

Admission	College Counseling	Faculty living off campus
Advancement	Deans Office	Information Technology (IT)
Bookstore	Dining Hall	Post Office
Business Office	Emergency Services	Physical Plant
Children's Center	Environmental Services	School Office

ALL OTHER CAMPUS RESIDENTS should park in the allocated parking area at your residence and should display the appropriate decal for your housing unit. Additional parking is available in the Lower Lot behind Westwood Dorm, the Marshall Lot, or the Fitness and Athletics Center Lot.

ADMISSION VISITOR PARKING:

Admission visitors' parking spaces next to Sunnybanke are reserved from 8:00 a.m. until 5:00 p.m.

PLEASE REFRAIN FROM PARKING IN SPACES FOR ADMISSION VISITORS DURING THESE HOURS.

PLEASE READ: PERSONAL PROPERTY DAMAGE

The insurance that George School carries does not cover losses on personal property. Damage to property that is caused by factors that are outside of anyone's control are deemed "acts of God" by insurance companies, and are not covered even under tenant's, homeowner's, or automobile insurance policies. Because George School is a heavily wooded campus, and our parking lots tend to be situated in wooded areas, damages to cars from high winds and falling branches are the most common types of damage in this category. During particularly windy days, employees are encouraged to take the precaution of moving their cars away from wooded areas, and to park in areas such as in the parking lot next to the Fitness and Athletics Center.

George School Emergency Services appreciates your cooperation and compliance with these parking assignments as it stands to benefit both the George School community as well as visitors.
